### WHO AM I?

I am a flexible person and able to adjust positively to any changes that arise. Among my colleagues I'm known for my organizational skills and ability to cope with change and multitasking environment. As I am currently a graduate of the Computing Application Software Development Program at Robert Gordon University Aberdeen, I am looking for new opportunities in the Software Development sector, in the related industries.

### EXPERIENCE

- Aug 2021 – Jul 2022 **Software Engineer** **Allatus Ltd., Edinburgh, Scotland**  
Sector: Banking  
Responsibilities: Software Development, Automated Testing and Regression Testing.  
JavaScript / JQuery / C# / ASP.NET MVC / SQL Server / Selenium / SVN
- Oct 2016 – Jul 2017 **Computing Student** **University of Craiova, Romania**  
Program: Mechatronics and Robotics  
Modules: Software Development, AutoCAD Graphics, Databases, Microsoft Office Suite, Mathematics, Electrical Engineering, Mechanics, Physics, Chemistry and English Language.  
Linear Algebra and Analytical Geometry / Mathematical Analysis / C/C++

### EDUCATION

- Aug 2019 – Jun 2021 **Bachelor's Degree (Hons) 2:1** **Robert Gordon University Aberdeen, Scotland**  
Program: Computing Application Software Development  
Honours Project: Command & Control Desktop Application coded in Java 8 (Grade A)  
Advanced Artificial Intelligence (Searching Algorithms, Sklearn, Keras),  
Enterprise Web Systems (MongoDB, Express, React, Angular, Vue, Node.js, PHP, ASP.NET),  
Object Orientated Programming (C++, C#, Java, Python),
- Aug 2017 – Jul 2019 **Higher National Diploma** **North East Scotland College Aberdeen, Scotland**  
Program: Computing Software Development  
Graded Unit Project: Tailoring and Alterations Software coded in Python 2.7 (Grade A)  
Computing Exam: (Grade B)
- Sept 2012 – Jul 2016 **Baccalaureate Diploma** **Energetic College Craiova, Romania**  
Program: Computing Technician, Operator  
Romanian Language Exam: 81%  
Mathematics Exam: 85%  
Biology Exam: 82%

### LANGUAGES

**Romanian** - native  
**English** - advanced  
**French** - rudimentary

### HOBBIES

I love software development and everything related to networking programming.

### NON PROFIT

I help my colleagues with software development problems to the best of my ability.
